

# La amistad y el amor

How are we transformed by relationships with others?

By the end of this unit, you should be able to:

- I can express why I love my friends!
- I can explain ways in which I'm a good friend, and what I could do to be a better one.
- I can respond to a friend's relationship issue by giving advice.
- I can describe some cultural norms in friendships and love.
- I can explain what a "piropo" is and describe the controversy around its use.
